Worship For Everyone - one week to go!!

Next Sunday morning is our monthly Worship for Everyone service (the new name for what was previously our All Age Worship)

Worship For Everyone is the one service when the whole family of God can meet and stay together, to praise and honour God, and to learn from each other. Families tend to do well when they have time together and when they do things together. We are God's big family in this place, and we are better for each other when we make sometime to worship together. When we unite as His whole Church and worship together, God is glorified, and He then does amazing things with us, through us and between us.

Worship For Everyone is YOU.

Worship for some, and worship by some, reduces our worship and holds back God.

Some people say worshipping together is too hard, but we know it is what God wants from his family and also it is what we'll be doing for all eternity, so let's start practicing now.

Your church family wants you, and needs you to come to join together. Together – everyone being the whole people of God, pouring out our praise to our amazing creator God.

Is it our time in St John's to build this big family of God for his service? Is it our time in St John's to encounter God anew, every-one of us worshipping Him together, as His united family and as His COMPLETE family of followers? If so see you next Sunday!

The Collect of the Day

Blessed Lord,
who caused all holy Scriptures to be written for our learning:
help us so to hear them,
to read, mark, learn and inwardly digest them
that, through patience, and the comfort of your holy word,
we may embrace and for ever hold fast
the hope of everlasting life,
which you have given us in our Saviour Jesus Christ,
who is alive and reigns with you,
in the unity of the Holy Spirit,
one God, now and for ever.
Amen

Since 1906 Urban Saints (formerly known as Crusaders) has been reaching out to children and young people with the good news of Jesus Christ.

They do this primarily by resourcing and supporting churches and volunteer youth and children's groups through their Energize resource package. They also offer life-changing experiences for children and young people.

Matt Summerfield Chief Executive of Urban Saints (Winner of Best Christian Organisation - Christian New Media Awards 2010) will be visiting St John's to speak to us about 'Evangelism in the 21st Century'.

This promises to be a fantastic evening, and we want to fit as many people into St John's as possible, we can all help to do this by picking up and handing out a few leaflets to friends and family or get them displayed in shops or on company notice boards you work at, you never know who might be interested.

If you would like an electronic version please speak with Sharon.
