News from St John's

Sunday 6th September 2015

PARISH PRAYER MEETING:

This will take place on Tuesday from 7.30 to 8.30pm here at St John's. Do try to make this a priority as prayer is the engine of spiritual growth. If you are unable to attend, please pray where you are so that we can form a prayer network for an hour. Prayer matters leaflets are in the foyer; please use it on the evening and in other prayer times.

Thought for the week

We are looking this morning at 'Paul Preparing' as we come to the end of our Summer Series on Paul's travels. I think that it has been great to travel with him for a while and share in his passion for God, and many thanks to all who have been involved in the services during the summer.

Autumn is now waiting in the wings, and I'm reminded of God's faithfulness to us throughout the seasons and the years. 'God is faithful, and he will do it.' Whatever it is that you are facing at the moment, remember that verse, as you come before him to worship and to pray. Jesus has opened for us a new and living way into God's presence, so that we might always worship in spirit and in truth. We believe that he is the very source of all truth and love, and, as he is faithful to us, so may we be faithful and loyal to him.

Every blessing,

Gary

Martin Cavender As you may be aware, Martin from Resource who ran our St John's at home weekend 3 years ago recently passed away. For those wishing to know, during the last few months of his life, Martin spent a lot of time reflecting on his journey. He wrote his thoughts up in an open letter to his family and friends, which he suggested Resource make available to others. Martin titled his reflection 'Our strength and our song.' If you would like to read it you will find a shortened version on www.resource-arm.net, along with Martin's other writings or speak to Sharon who has a hard copy. There will be a remembrance service at Wells Cathedral in October, all are welcome, details are on the website.

You can get involved or sit back and listen. The day will be full of practical workshops, activities and talks for families and individuals of all ages. Radiate Redditch is a Town wide initiative taking place in November for students of Redditch schools, if you haven't already had a printed information sheet and would like one please see Andy or Dot Bevington. Radiate Redditch is one of the items on the list for Tuesday's prayer meeting as follows- **"Radiate Redditch", as Manchester's The Message brings the Good News of Jesus to Redditch schools and a town-wide celebration, in November giving thanks, too, the youth leaders from churches throughout the town who are coming together.**
