News from St John's

Sunday 6<sup>th</sup> March 2016

Dear all,

Midway through Lent we stop to celebrate "Mothering Sunday." From centuries gone by this day was a day of celebration. People would worship every Sunday throughout the year at their local church. One day a year, they would be expected to go to their home or "Mother" church. In order to enable those who had entered service or were apprenticed were given a Sunday off to visit their mothers and families. They would often be given gifts to take home by their employers for their mothers, gifts such as eggs, or sugar, or lard. It was a way of having a celebration and enabling poorer families to enjoy good food. The family would go to church to thank God for His continued provision and help, and to remember that the Church, like a mother, cared for and loved her children.

Like Timothy, learned from and was cared for by his mother and grandmother, so too, we are cared for and loved by the Church as the agent of God Himself. The church is the place we meet to celebrate, and are cared for and enjoy communion and fellowship with one another.

Blessings this day to all mothers, and grandmothers. Blessings this day on our "Mother Churches" of St John and St Peter in the parish of Ipsley. We celebrate and rejoice with you.

Garth

### **Hope Home**

Thank you to the JUMP team for last week's service and for bringing us the good news about Hope Home, a Christian charity in Thailand looking after disabled children. From the money raised on the evening, topped up with St John's Overseas Mission Fund, a cheque will be going off for £200 for use in the running of the Home.

### **Dot and Andy**

There will be a farewell lunch for Dot and Andy after the morning service on 20<sup>th</sup> March here at St John's. Please use the sign up sheet in the foyer for food, members of St Peter's and Christ Church will also be joining us.

**Confirmation** There will be a confirmation service with the bishop on Sunday 15th May at Matchborough for the parish and he is keen that any young people who have been baptised and would like to be confirmed should get in touch with him. Any that have not been baptised and want to be should also be in touch to make arrangements for that too. There will be preparation classes for this - 5 of them and he is planning to hold them on a Friday evening and/or a Saturday morning depending on the need and people's life commitments. If you are interested, please get in touch with Joanne at the parish office who will pass on the information to Garth. [stpeter\\_ipsley@btopenworld.com](mailto:stpeter_ipsley@btopenworld.com)

The walk will begin at 10.30 a.m. and process around the town, ending outside St. Stephen's at 11.45 a.m. Soup and a roll will be available inside St. Stephen's following the walk, which itself will be followed by a time of reflection before the Cross led by Paul Lawlor. The main focus for the walk will be the Cross. We will be carrying together a large cross, and this year palm crosses will be provided for participants to give out to passers by. There will be a service here at St John's 7pm with Revd. Ian Evans

### **Welcome**

Can you recall the first time you went somewhere new and been unsure of the welcome you would receive. Or has it ever taken a lot of effort for you to be able to get to church and a warm greeting on arrival has helped. Would you like to be a welcomer on a Sunday morning? – just one Sunday each month would help release people to do other things, or to rest. Please speak with Ann or Sharon for more information.
