Rector's Reflection

We are in the process of forming a new Electoral Roll for the Parish. I hope you have collected your application forms and filled them in. This year we have included a consent form to keep and use your details in a variety of church settings.

The Electoral Roll is an important part of the administration of this church. Joining the electoral roll is a statement that you are a committed member of this church. It is the legal means whereby we can make this declaration. It also gives you the right to vote at the annual meeting for the members of the Church Council and for the Parish and church wardens. Perhaps as you fill in the application form to go on the electoral roll you might reflect on what it means to be a member of the Church and the parish team. It is not about money, your contributions or attendance but a declaration, "I belong". While you belong to us we belong to you. We are the family of God and this is a good way to declare it.

The consent form enables us to keep your information and use it wisely and prayerfully with your permission, it also helps us keep you informed about the life of the church. I hope it says to you, that you and your information are important to us, and that we are doing all we can to safeguard your information and not use it in a way that you do not wish us to use it. When we treat your information with respect and honour, I hope you hear us saying that you are important to us, and that we will always keep safe the information that you entrust to our care.

Please do remember to fill your forms. Canon Garth Nathaniel. (Rector)
