Easter Reflection

When the disciples woke on that first Easter morning, they must have been feeling confused, disappointed, distressed and uncertain about the future. Although Jesus had told them what was going to happen it doesn't seem that they realised that it was all part of God's plan. Or that they had remembered Jesus telling them that he would rise again.

Then the unbelievable became reality, Jesus has risen and is alive! Everything has changed, there is still uncertainty about the future, but there is joy and hope, in place of confusion and disappointment.

As we again hear the good news of the resurrection, we too can look forward with hope however uncertain or difficult the future. We can experience the peace and joy of a relationship with God because of the death and resurrection of Jesus. So, lets us hold on to truth of the Easter acclamation and look to the future with confidence in God.

He is risen! He is risen indeed hallelujah!

Blessings, Steve Mitchell

Together with Jennifer, I would like to wish each one of you a very Happy Easter. As you celebrate our Risen Lord, may your hearts resonate and echo with His words to the first disciples, "Peace be with you."

I also want to say a big thank you to each one for your prayers and your support during and following my surgery. Your cards, messages, phone calls, visits, gifts meant so much to us, and were a great encouragement. We are overwhelmed by the love of our church family. God bless you, one and all." Revd Canon Garth Nathaniel
